

We are excited to invite Students of Higher Secondary School of Father Agnels School, Greater Noida, on a workshop of

Data Analytics And Its Applications In Artificial Intelligence

A WORKSHOP ON CAREER MANAGEMENT

As part of our Community Engagement Initiative, this workshop aims to explore the transformative power of data analytics in the field of artificial intelligence. Participants will gain insights into practical applications and real-world scenarios, enhancing their understanding of these critical technologies.

What to Expect:

- Interactive sessions led by IBM Certified Trainers
 - Hands-on activities and demonstrations

16th December, 2024

9:00 AM to 12:30 PM

Venue: Lloyd Campus, Computer Lab, 2nd Floor.
